

# *Kenya Airways Medical Centre*

---

Medical Profile

## **KQ Medical Clinics**

- Kenya Airways currently operates 2 medical facilities at:
  - a) JKIA – opposite Port Health within JKIA Parking complex, ground floor.
  - b) Pride Center, Embakasi - off Airport North Road
  
- The 2 clinics are open to all, that is, to corporate and individual members of the general public.
  
- I. KQ Medical Clinic JKIA** mainly offers emergency services for Airline Passengers, but also attends to the general public and other corporates in the airport ecosystem.
  
- II. KQ medical Clinic, Pride Center** is a fully fledged level 3 medical facility offering primary and specialist healthcare services.
